# ID CARD OPTIONS

ID Card: 2.125"x3.375" • PVC Laminate: 2.25"x3.5"

## Standard Border & Text Colors:

	C-1 Black		C-6 Maroon
	C-2 White		C-7 Light Blue
	C-3 Yellow		C-8 Navy Blue
	C-4 Green		C-9 Purple
	C-5 Red		C-10 Orange

You can have a custom color too!  
Send your RGB values to ACI.

## Custom Cards:

- ACI needs a .PSD file from the studio.
- Create custom layouts 1/4" larger than the finished size to allow for a bleed.
- If applicable, the barcode MUST appear in the area as shown on the examples.
- Cards may be slit on side or end to use with lanyards.

Visit [acilab.com/products/photographic-print/underclass/id-cards/](http://acilab.com/products/photographic-print/underclass/id-cards/) for full details or scan the QR code.

## COMPOSITE SET-UP OPTIONS

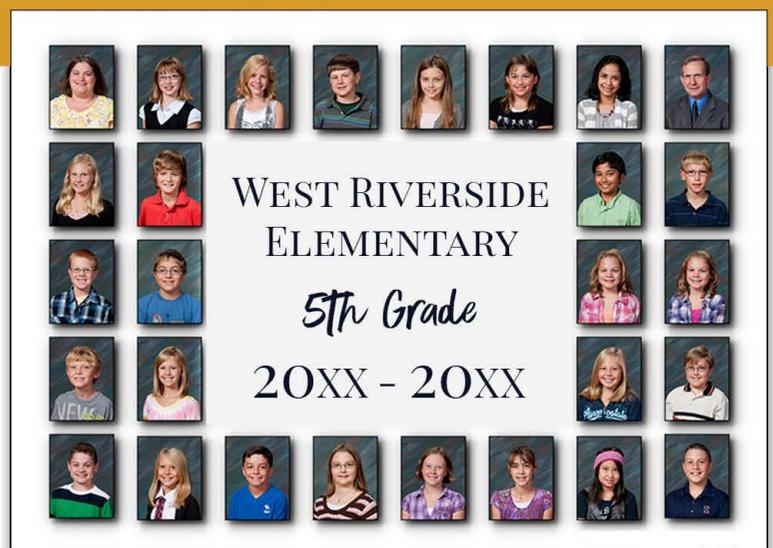

FOR ALL STANDARD COMPOSITES

Visit [acilab.com/products/photographic-print/underclass/school-composites/](http://acilab.com/products/photographic-print/underclass/school-composites/) for full details and options or scan the QR code.

## Why choose ACI for your composites?

- ACI emails you the proofs for approval
- The schools proof and submit changes to studio
- Studios can submit requests early and defer them until after the new year for a lower price
